RIMROCK

Sixty Eight

THE 1968 RIMROCK

For 41 years the administration and faculty of Iraan High School have striven to make the school a worthwhile factor in the education and character development of the youth of Iraan, Texas. Many hundreds of students have passed through the doors of this school, sat in its classrooms, played on its athletic teams, and participated in the many other activities of its campus.

In this, the 1968 edition of the RIMROCK, the staff has done its best to portray life on the campus. The members of the staff hope that you will keep this book and find it a source of joy as it helps you recall the experiences that you had and the friends that you made on the campus during the school year of 1967-1968.

NATIONAL HONOR SOCIETY

Highlighting scholastic achievement, Iraan's National Honor Society this year welcomed 7 new members from the Junior Class, upping the total membership to 12.

Leadership, character, and service, along with a grade average of above 90, are the rigid requirements for membership in the National Honor Society. When prospective members are announced to the faculty each year, faculty members rate students to make certain only those worthy of the honor are chosen.

Pat Gladden and Tim Armstrong hold the Iraan School Flag, adopted by the Student Council in 1966 and presented to the school in the spring of 1967. It is flown following school victories. We've flown it proudly many times this year.

O, Iraan High, O, Iraan High
We sing your praise today
To let you know, where 'er we go
We're with you all the way.
We'll sing your worth
O'er all the earth,
Of schools you are the best,
In books of fame, we'll write your name.
O, I. H. S.
